Safety helmets are available at no additional charge to guests joining us on any stretch of river that we run. Helmets are **REQUIRED** for all trips we run except the Lickety Split stretch on the Upper Kern. Clients expressly assume all risks associated with their refusal to use or properly use helmets.

Our guides are experienced, skilled whitewater boaters. They are knowledgeable about canyon ecology and natural history. Should the need arise they are trained to administer First Aid. Guides can also provide information on organizations that work to preserve and protect rivers and river canyons.
